They are having a difficult time incorporating computer technology into their curriculum. One reason may be lack of time and another may be lack of training. Denise Byam-DeMuro wrote No Sweat Social Studies and Science INTERNET Workbook with the busy teacher in mind. All a teacher has to do is to teach the lesson, duplicate the worksheet relating to the topic he/she has taught and direct the students to the computer. The rest of the research is done. There is a space for teachers to add questions that may need to be answered. Most of the sites are simple to type and to remember. Students can work independently while teachers help other students. No Sweat Social Studies and Science INTERNET Workbook has: Simple to use internet worksheets Simple to type sites Space for teacher generated questions. Questions that are integrated into the curriculum. Questions, which allow students to work independently. Additional sites which help to address other interests. Parent consent forms for internet use Simple Internet vocabulary list Critical thinking writing prompts.
