

Just Kids from the Bronx: Telling It the Way It Was: An Oral History

Filesize: 2.63 MB

Reviews

This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.
(Thurman Schamberger)

JUST KIDS FROM THE BRONX: TELLING IT THE WAY IT WAS: AN ORAL HISTORY

[DOWNLOAD](#)

MACMILLAN AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A touching and provocative collection of autobiographical anecdotes that evoke the history of one of America's most influential boroughs--the Bronx--through some of its many success stories. The vivid oral histories in Arlene Alda's *Just Kids from the Bronx* reveal what it was like to grow up in the place that bred the influencers in just about every field of endeavor today. The Bronx is where Michael Kay, the New York Yankees play-by-play broadcaster, first experienced baseball, where J. Crew's Millard (Mickey) Drexler got his street smarts and his first jobs, where Neil deGrasse Tyson and Dava Sobel were urged to pursue science and where music-making inspired hip hop's Grandmaster Melle Mel to change the world of music forever. The parks, the pick-up games, the tough and tender mothers, the politics, the gangs, the food--for people who grew up in the Bronx, childhood recollections are fresh. Arlene Alda's own Bronx memories were a jumping-off point from which to reminisce with a nun, a police officer, an urban planner, and with Al Pacino, Mary Higgins Clark, Carl Reiner, Colin Powell, Maira Kalman, Bobby Bonilla, and many other leading artists, athletes, scientists and entrepreneurs--experiences spanning six decades of Bronx living. Alda then arranged these pieces of the past, the mornings on the Grand Concourse and afternoons in the halls of Bronx Science, into one great collective story, a film-like portrait of the Bronx from the early twentieth century until today.
