Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A group of young stargazers make, almost by chance, a crucial, yet disturbing, astronomical discovery. Immediately, the World Government takes action on the matter; but so do the powers that be, the large space mining corporations, the still powerful mafia, the influential religious leaders, the antiestablishment activists. all they come into play in a political suspense drama in which everyone wants to win the grand prize: Survive the threat that hangs over the Earth. Thousands of years ago, in Ancient Babylon, a legend written on a clay tablet prophesied the advent of Nibiru, a celestial body, which would cause great hardship for our planet. In the not too distant future, Mankind is rising from its ashes after an endless succession of social, health economic crises worldwide, standing up again in an unprecedented scientific technological boom: clean energy, comprehensive recycling, bioengineering, new materials, space colonization, sustainable development, fierce robotization. .the Earth had become a haven for the survivors. But, once again, a terrible event would jeopardize the future of our species.
