Surely his life was meant to be much more exciting than this? Day in and day out, it was always the same thing. What Pig really needed was an ADVENTURE!! But he never expected what was to come. A prodigal pig story of sorts, this is the true tale of a baby pig that escaped from a children s, portable petting zoo and ended up living in the back yard of a high end subdivision. Pig got his adventure, but also found himself in some scary and unexpected situations. He learns a lot along the way about life, love and loyalty, and discovers a few other things too. Mostly, that dreams really can come true. not just for pigs, but for me and YOU!.
