Taylor Francis Ltd, United Kingdom, 2013. Paperback. Book Condition: New. 278 x 216 mm. Language: English . Brand New Book. Technical Design Solutions for Theatre is a collection of single-focus articles detailing technical production solutions that have appeared in The Technical Brief Collection, a publication of the Yale School of Drama's Technical Design and Production Department. The primary objective of the publication was to share creative solutions to technical problems so that fellow theatre technicians can avoid having to reinvent the wheel with each new challenge. The range of topics includes scenery, props, painting, projections, sound, and costumes. Each article describes an approach, device, or technique that has been tested onstage or in a shop. \* Great reference of tips and solutions to persistent technical challenges in theatre production \* Solutions provided by contributors from over twenty different producing organizations \* Ten years of The Technical Brief Collection articles bound in each of three volumes \* A comprehensive index to all three volumes included in Volume III.
