iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Pamela Lynnette Crosby wants it all; the dream job, a home of her own and the top of the line car to enhance her image but the one thing she can do without is a man. Everything else has made her list of priorities but the idea of a romantic love interest never made the cut. Men in Pamela's eyes are good for carrying luggage or giving her passionate sexual attention. Once they have finished their appointed tasks she no longer has use for them until her needs arise again. Anthony Kyle Waters knows how to get the things that he wants with his persistent attitude and sweet charming ways. Nothing or no one could challenge him that is until he set his sights on Pamela, the one who can take or leave him. There is nothing he wouldn't do to hold on to her, love her and make her feel completely desirable. She becomes his greatest quest and number one priority. Question is how far should they go for love? When are the matters of the heart matters of life or death? The thin line between love and hate is crossed when the lives of these two lovers make drastic unexpected turns for the good, the bad and the down right ugly.
