STOP WONDERING WHAT IT S LIKE TO BE RICH AND START PUTTING MONEY IN THE BANK! First published in 1937, Think and Grow Rich, is one of the most influential and powerful books on the subject of creating wealth--bringing the wisdom and secrets of the rich and elite to anyone who wants to achieve great abundance in their own life. In this book, you will discover: -A quick and easy way to attract wealth, which you can do in less than five minutes a day, and see results immediately. -The most effective way to get rid of the mental and energetic blocks which are keeping you from massive success in business and life. -The one, absolute must-have tool you need to ensure you attract more wealth than you ve ever imagined.even in a bad economy. -One of the oldest (and most powerful) money-attracting techniques that will bring you the security and freedom you desire. -The most crucial element to attract more money in your life.and how you can master it with laser precision.
