Taylor Francis Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a comprehensive, systematic casebook which demonstrates the contribution of research to the formulation and resolution of organisational problems actually faced by managers. The cases are presented in clusters which centre on a particular aspect of organisational behaviour: motivation, groups, technology, leadership, structure, change and development. Each cluster is introduced by comments on the cases and references to the theoretical literature. The introduction reviews the case method and provides suggestions for using it.
