*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

IMMIGRATION, THE UNITED STATES EPIDEMIC

Xulon Press, United States, 2012. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.America is questioning if we really have a problem with our Borders? This gives some clarity into the situation that the United States is facing. What should we do about it? I do not have the answer except to pray as the Bible says, without ceasing. We have a serious problem on our Borders, that is sad for our country, but when you see mothers with small children that is even heartbreaking for them. They risk traveling with their young children for what they perceive is a better life. This book will give everyone that reads it a new perspective on just how dire these people are to have a better life. Everyone, including different religions needs to see that our country has freedom for all who come here. I feel it also gives a glimpse into people coming here that really need the Lord because their actions show that they serve a different God. Their God is not the same God of Love. I know that time is becoming short, and we need to witness to everyone that we can. LORRAINE A.K. APANA earned her Bachelor s Degree in Administration of Justice from Wayland Baptist University. She is pursuing her second Masters Degree in Business Administration from Hawaii Pacific University.
