

On Pigmentary Deposits in the Brain, Resulting from Malarial Poisoning (Classic Reprint) (Paperback)

By William Alexander Hammond

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from On Pigmentary Deposits in the Brain, Resulting From Malarial Poisoning This extract sums up what was known of the subject fifteen years ago. The occurrence of head symptoms after attacks of intermit tent fever was observed by Sydenham, * who called attention to the fact that mental derangement was sometimes a sequence of such an affection, and that under the use of depleting measures the patients soon passed into a state of imbecility. But, as a rule, the fact seems to have escaped notice, the only circumstance generally referred to as regards cerebral disturb ance being that which takes place during the paroxysm, and which, of course, is not directly related to the matter now under notice.
