Reviews

It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).

SAY NO MORE (PAPERBACK)

SIMON SCHUSTER, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Return to New York Times and USA TODAY bestselling author Lilliana Hart's romantic suspense series, the Gravediggers, with this thrilling game of cat and mouse between a member of the Gravediggers and the brilliant woman hot on his heels. The world thinks they're dead. The world is wrong. Dante Malcolm is a man of refined tastes. He was once a part of Britain's Elite Intelligence Force, but there was a reason he'd never been able to capture Simon Locke, the notorious thief who always seemed to be one step ahead. That's because Dante and Simon were one and the same, until Dante's double life eventually caught up with him and now he belongs to the Gravediggers. Liv Rothschild is a Detective Inspector with Interpol and is the one responsible for catching MI-6's most notorious agent in his final heist--except the heist killed him. But something has never felt right about his death, and it's haunted her for months. It was too easy, and Dante Malcolm was too smart to go down that way. Dante might belong to the Gravediggers in body, but his heart and soul will always belong to the next job. The rest of the team doesn't know about his alter ego because he made sure the information went missing from his file. So when the job he's always waited for seems like a possibility, he sneaks out of the country like a thief in the night, only to run into the only woman who's ever been able to match him in wit--and passion--for the job. Except they're standing on opposite sides of the law--and only one of them can walk away...
