

Sex and Voodoo Other Oddities: Stories from the Dominican Republic (Paperback)

By Mark S Wellbee MD

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Dominican Republic is one of the most fascinating island nations in the Caribbean. My intention in writing this book is to share with you some of my experiences there, from hilarious to touching, including how I became an expat there. I was especially fascinated by the openness with which both islanders and expats treat sexuality and spirituality. Here are some of those unusual expat stories, about sex, voodoo and other oddities, from the islanders of La Republica Dominicana. reviews: Five Stars ***** This book provides a unique glimpse of life in the Caribbean that the usual tourist would not see. For all whose vacation south has been limited to the all inclusive hotel experience or for those who have ever fantasized about life in paradise , Sex and Voodoo is especially for you. Mark S Wellbee does a wonderful job in introducing us into the intimate lives of different characters, from whom we learn, often with some humor, more about the reality of life in the exotic tropics in particular, and the human condition in general.
