THE ANTHROPOLOGY OF CHILDHOOD: CHERUBS, CHATTEL, CHANGELINGS

Cambridge University Press, 2015. Paperback. Condition: New. 1107420989 How are children raised in different cultures? What is the role of children in society? How are families and communities structured around them? Now available in a revised edition, this book sets out to answer these questions, and argues that our common understandings about children are narrowly culture-bound. Enriched with anecdotes from ethnography and the daily media, the book examines family structure, reproduction, profiles of children's caretakers within family or community, their...
