Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Amateur Yachting The writer hopes this little book will be of interest not only to those who intend to indulge in the healthy, exhilarating sport of yachting but also to those who would like to gain a knowledge of the principles of sailing, through the interest created by the international yacht races. The directions for sailing and managing a cabin yacht are for beginners, and, as far as possible, such plain words have been used as will enable embryo yachtsmen to follow the directions without confusion, while a short dictionary of technical words has also been added for convenience. Yachting, besides being beneficial to health, develops the judgment, schools a man into acting promptly in cases of emergency, and increases his self-reliance. It is of benefit not only to the individual, but also to the community. The National Guard, is useful as a school for drilling our citizens into a body of soldiery, so that in the event of disturbances in our own country or of war with foreign countries we would be able to present a large body of well drilled men without having in the meantime to support an expensive standing army. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
