Stop Burning Your Money

By William Wilder

Paperback. Condition: New. 9 pages. Would you like to earn more on the money you save and invest Perhaps enough to earn a small fortune on a small monthly investment over time Inside this book you will discover how to save money by direct investing. After reading this book you might decide the smallest book you ever read made the biggest difference in your financial future. You will learn how to direct invest and earn more. The advantages and benefits of direct investing will be obvious once you understand this approach. Unfortunately, most stock brokers and financial planners do not tell their clients about this option because they do not earn fees and commissions if their client decides to direct invest. So be smarter than stock brokers and financial planners and choose the investment that works better for you, not for them. Why pay high fees and commissions to a stock broker to own the same stock you can buy directly and own it for less of your money Obviously if you spend less to own the asset your return on investment is higher. You may already be familiar with the concept of buying direct to save on your purchases...
