E2 2009n OCLC Number: (OCoLC)613333786 Subject: Predatory lending -- United States. Excerpt: . . . 13 biological weapons nonproliferation regime. At the most recent annual AG Plenary Session June 3 - 6 in Paris, the Group significantly expanded its export controls and strengthened its ability to counter both nation-state and terrorist chemical and biological weapons efforts. Responding to the terrorist events of September 11, 2001, AG participants adopted common export control guidelines that include chemical and biological terrorism as an explicit focus of the regime. Participants also adopted the U. S. -proposed gameplan on regional nonproliferation and the Group agreed to require its members to have catch-all controls, the first multilateral nonproliferation regime to do so. The AG control lists were amended to include technology for the development and production of listed biological agents and equipment, and to add eight new biological toxins. To better combat biological weapons proliferation, the Group reduced the control level for listed fermenters from 100 to 20 liters and to require licenses for exports of biological agents...
