Reviews

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me). (Ernest Bergnaum)

THE TYRANT'S DAUGHTER (PAPERBACK)

Ember, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Filled with political intrigue and emotional tension, Carleson's riveting novel features a teenage refugee caught in a web of deceit and conspiracy. --PW, starred review When her father is killed in a coup, Laila and her mother and brother leave their war-torn homeland for a fresh start in the suburbs of Washington, D.C. At her new high school, Laila makes mistakes, makes friends, and even meets a boy who catches her eye. But this new life brings unsettling facts to light. The American newspapers call her father a brutal dictator and suggest that her family's privilege came at the expense of innocent lives. Meanwhile, her mother would like nothing more than to avenge his death, and she'll go to great lengths to regain their position of power. As an international crisis takes shape around her, Laila is pulled in one direction, then another, but there's no time to sort out her feelings. She has to pick a side now, and her decision will affect not just her own life, but countless others. . . . Inspired by the author's experience as a CIA officer in Iraq and Syria, this book is as timely as it is relevant. Praise for *The Tyrant's Daughter*: Carleson, a former undercover CIA officer, infuses her story with compelling details and gripping authenticity. --The Boston Globe Every American should read this book. It's an eye-opener. --Suzanne Fisher Staples, Newbery Honor-winning author of *Shabanu*.
