Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A Dream of John Ball (1888) is a novel by English author William Morris about the English peasants revolt of 1381 and the rebel John Ball. Like the novels close contemporary - A Connecticut Yankee in King Arthur s Court (1889) by Mark Twain - it describes a dream and time travel encounter between the medieval and modern worlds. However unlike Twain s vision of a violent and chaotic Dark Age, Morris describes a positive image of the Middle Ages, seeing it as a golden, if brief, period when peasants were prosperous and happy and guilds protected workers from exploitation.
