Wipf Stock Publishers, United States, 2015. Paperback. Book Condition: New. 4th. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.How does one summarize the thirty-nine books of the Old Testament? How might one determine the message of the Old Testament with others? This book attempts an answer to these questions. The answer is taken from a single Scripture passage, Exodus 5:22-6:8, which is here considered a theological Table of Contents for the Old Testament. In addition to such topics as Deliverance, Community, and Experiencing God, the book has an extended discussion on Land, a subject which deals with a wide range of interests but which only rarely receives attention in books on biblical theology. The current edition features reflections and a set of discussion questions following each of the seventeen chapters--a boon for university and seminary teachers and students, and of large help for church study groups. Taking his cues from a key biblical text (Exodus 5:22-6:8), in *God s Design*, Elmer Martens has seized upon basic threads of biblical theology and woven them into a magnificent tapestry of divine grace and redemption encompassing the entire Bible. Through his careful exegesis of individual texts, judicious synthesis of fundamental theological concepts, and an engaging literary style, readers learn how the motifs of salvation, covenant, divine revelation, and land all play together in God s grand design of creation and redemption. Martens presentation is neither overly technical nor esoteric; on the contrary, he often pauses to guide us in relating biblical theology to life. I am delighted that through the republication of this volume another generation of readers of Scripture will have ready access to his brilliant work. --Daniel I. Block, Gunther H.
