Forgotten Books, 2017. Hardback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Esprit de la Conversation Francaise, ou Recueil de Gallicismes: Avec la Traduction Anglaise Et Allemande en Regard En terminant les lignes mises en tete de la premiere edition de cet opuscule, nous exprimions la crainte qu on ne nous reprochat de laisser le lecteur au milieu d un labyrinthe de phrases usuelles alignees au hasard, qu aucun lien logique ne rattache entre elles, et qui se suivent sans s enchaîner. Que ce pressentiment fut fonde ou non, nous n en avons pas moins senti la necessite de refondre entierement notre travail primitif, trop incomplet, concu trop peu methodiquement et dont la distribution n etait pas bien entendue. A cet effet nous avons mis en relief un nombre beaucoup plus grand de gallicismes, tours nerveux et libres, que l analyse ne saurait justifier, qui semblent parfois un defi jete a. La grammaire ou a. La syntaxe, mais qui font de la langue une musique savante, variee, pleine de souvenirs, au lieu d un chiffre de convention. Nous avons classe par ordre alphabetique ces locutions figurees, en faisant ressortir, par le soulignement, le mot de la phrase ou eclate le genie de notre idiome. En outre une part tres-large a ete, faite aux prepositions, qui, dans toute langue etrangere, sent une source de difficultes et par suite, d erreurs. Quand leur emploi differait dans l une ou l autre des trois langues mises en parallele, nous avons rendu cette difference sensible, en faisant imprimer les mots en question avec des caracteres a part sur lesquels l oeil s arrete plus aisement. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of...
