Crystal Guffey, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Stone, my family name of seventeen years, seems eons ago. But in reality, it is little more than a mere decade. One little space of time, in this life that has been given to me. That is all the time it took to shake my core, rattle my life and set me on a path I never wanted to travel. One that I never knew existed, until it became my life. Things such as early marriage, misunderstanding, infertility, college, potential adoption and hysterectomy were so foreign to that seventeen year old girl. That girl is lost. She is beneath layers of dust, tears and heartache that make up who I am today. And so it begins. I have traveled this road and this is my story of love, trials and faith.
