World Class Football-Soccer Ltd. Paperback. Condition: New. 162 pages. Dimensions: 11.7in. x 8.3in. x 0.3in. The football soccer players who reads this manual seeks perfection - those who implement its ideas have found it. This inspirational world class training, and playing football soccer manual uses a designed, and developed systems approach in the formulation, analysis, and solution of unsteady state football soccer phenomenon - in conjunction with chosen basic engineering fluid and particle dynamics principles incorporating Analogies, with mental psychology for CONTROLLING the game - and shows how they are all interconnected. This manual transcends imagination and originality. Simple to follow - the manual focuses on the systems as one unit, and how the experience of the coach, in relation to the player, and team- mates interact for discipline on and off the pitch, and accomplish learning. Bring into sharp focus those fine points, which enable the players to apply the fundamental principles correctly, confidently, consistently, and with continuity - for example, Newtons laws for complete ball control. A qualitative, and quantitative understanding of the application of the principles to realistic problems in training and playing are particularly emphasised. It guides the players into forming organised patterns of defence, and attack - DEFINES THE DEFINING MOMENT IN DEFENCE: and THE DEFINING MOMENT OF THE FINAL BALL. Helps the players to develop character, and to achieve the ability to GEL together to play good exciting free flowing attacking NEWTONIAN football - soccer with breath-taking displays: beautiful at its most intense - played in the TRUE SPIRIT of the system - a thing of beauty is joy forever. This unique brand of Newtonian footballsoccer the players likes to play, and the fans likes to watch - the right way how football soccer should be played: always wanting more of the same. Numerous simple...
