iUniverse, United States, 2006. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.When God created Adam, He did so because mankind had reached a point in its evolution where a messiah was needed to help them reach a higher level of consciousness. After sculpting Adam out of mud, the Big Guy then placed him in Eden and, just to keep him busy, commanded him to name the animals. After that, God more or less abandoned Adam and didn't tell him much of anything else, creating a climate of tension and mistrust between the two that eventually led to Adam getting kicked out of the Garden without knowing what his purpose in life was. Mankind was screwed. At least, that's the way Adam tells it anyway. Lying on his deathbed, Adam decides that the time has come to clear up some of those vicious rumors floating around about how he and Eve were responsible for all the bad things that had happened to mankind since the two were expelled from the Garden. Join Adam as he fills in the gaps of the Genesis story. It's an hilarious adventure filled with bad behavior, fallen angels, rampaging giants, neglectful fathers, rebellious sons, corporate greed, anarchy, violence and just enough sex to be deliciously sinful.
