

## Clinical Treatment Directions for Infidelity: A Phenomenological Framework for Understanding (Paperback)

By Nicole Zapien

Taylor Francis Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Clinical Treatment Directions for Infidelity considers the psychotherapeutic treatment of infidelity from a fresh perspective. Psychotherapy (both couples and individual) for infidelity is notoriously challenging, and clinicians tend to disagree on case conceptualizations and treatment objectives. This book approaches infidelity from a client-centered, phenomenological perspective, informed by qualitative research and social context. Essential for clinicians who work with cases of infidelity, it provides a framework and set of tools with which to approach these cases from a non-judgmental stance that helps clients glean meaning from these experiences and make conscious personal choices about how to move forward.
