

Excel 2013 On Demand

Filesize: 7.69 MB

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Karianne Deckow)

EXCEL 2013 ON DEMAND

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, Excel 2013 On Demand, Steve Johnson, Perspection, Inc., Excel 2013 On Demand is built from the ground up for today's beginning-to-intermediate-level Excel user. Like every book in the On Demand Series, it teaches visually, using an easy, friendly, full-color format designed to "show you how," instead of "telling you how." But that's not all. This book: * Combines step-by-step training with quick-reference material users can rely on long after they've mastered the core skills they need * Provides easy-to-follow task-based coverage of the techniques you'll use most often, presenting most tasks in just one or two pages * Offers in-depth coverage of all new MOS (Microsoft Office Specialist) exam objectives, so you can use it as a study guide to enhance your job prospects or current career * Provides additional end-of-chapter workshops, plus even more hands-on projects online * Includes a complete practical troubleshooting guide * Helps you upgrade by presenting New Feature icons, plus a detailed list of new features indexed to the pages where they're covered Simply put, no other book offers beginning-to-intermediate-level Excel users this much simplicity, usable content, flexibility, and value.
