Morgan James Publishing, United States, 2014. Paperback. Book Condition: New. Cheryl Grant (illustrator). 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Mitsy Mouse and her brother Marty are excited to visit their grandfather at his home, but in their hurry to leave they don't listen to a valuable caution from their father. The adventure they get into at their grandfather's house catches them by surprise and teaches them a lesson they didn't expect. Mitsy and Marty Mouse Visit Grandpa lets children travel along with two adorable mice on a fun adventure while also learning the importance of compassion for others and how to respond when things go wrong. It's a story they'll want to hear and read again and again. Be sure and remind them to watch out for the bees! Marcella Byers grew up hearing stories and poems that taught character and old-fashioned values from her mother, and she passed those down to her children and grandchildren--along with new stories of her own. This tradition of storytelling is gaining new appreciation in our day as we realize some of what has been lost in our fast-paced world. The timeless values are greatly needed, and stories are a powerful way to share them with the future. In addition to numerous articles on parenting and children, Marcella has written four Mitsy Mouse books.
