John Wiley Sons Inc, United States, 1998. Hardback. Book Condition: New. 30th ed.. 236 x 160 mm. Language: English . Brand New Book. An accessible and thorough guide to nonprofit investment policy for nonfinancial managers --essential information for maintaining fiscal health and the public trust The first book to discuss the development of investment policies specifically for nonprofit organizations, Nonprofit Investment Policies helps directors, trustees, and development officers at nonprofits create sound, comprehensive policies for their financial advisors. Covering every element of investment strategy for nonprofits, the book explains investing legal concerns, the investment environment, the internal organization of an efficient charity, how to get started in investment, how to use investment successes as a fund-raising tool, and much more. Written in language that both financial and nonfinancial managers can understand, Nonprofit Investment Policies includes: An exploration of the unique characteristics of nonprofit resources, including endowment management, planned gifts, and socially responsible investing A full examination of the legal issues involved in nonprofit investment -- the tools officers and directors of charities need to protect themselves from investment liability in an increasingly litigious world Case studies from the real world of nonprofit investment showing successful policies in action -- and failures that display policy pitfalls to avoid Advice on finding and hiring outside advisors, plus an explanation of the essentials of investment accounting and performance reporting Tables and checklists to guide nonprofit managers in fiscal decisionmaking. If a nonprofit organization has any money in the bank, the organization already has an investment policy, however informal. For many nonprofits, managing extra money is such a novel concept that they don t take full advantage of their on-hand resources. But as organizations grow and their financial conditions improve, decision-makers must consider how best to manage and invest these additional funds. The nonprofit organizations...
