Hodder Stoughton General Division, United Kingdom, 2004. Paperback. Condition: New. Language: N/A. Brand New Book. Described as the most exciting batsman to emerge since David Gower retired, Michael Vaughan provides a personal view of his own amazing achievements during 2002. He also contemplates the controversy that surrounded England's ill-fated World Cup mission, and discusses the real story behind the decision not to go to Zimbabwe. Vaughan's thoughts about Nasser Hussain, the captain he has served most, and his other international and county colleagues are also shared. Every aspect of an intense and exciting year gets Vaughan's complete consideration - from being given out handled ball in India to clean bowling Sachin Tendulkar, from being targeted by Glenn McGrath to winning the Player of the Series award in the Ashes battle, and on to the World Cup fiasco. This is a compelling insight into the world of the 2002 Cricketer of the Year.
