BEETHOVEN SYMPHONY #1 ARR. FOR SOLO PIANO BY FRANZ LISZT (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Beethoven s symphony number one, arranged for solo piano by Franz Liszt. The name of Beethoven is sacred in art. His symphonies are at present universally acknowledged to be master-pieces; whoever seriously wishes to extend his knowledge or to produce new works can never devote too much reflection and study upon them. For this reason every way or manner of making them accessible and popular has a certain merit, nor are the rather numerous arrangements published so far without relative merit, though, for the most part, they seem to be of but little intrinsic value for deeper research. The poorest lithograph, the most faulty translation always gives an idea, indefinite though it be, of the genius of Michel Angelo, of Shakespeare, in the most incomplete piano-arrangement we recognize here and there the perhaps half effaced traces of the master s inspiration. By the development in technique and mechanism which the piano has gained of late, it is possible now to attain more and better results than have been attained so far. With the immense development of its harmonic power the piano seeks to appropriate more and more all orchestral compositions. In the compass of its seven octaves it can, with but a few exceptions, reproduce all traits, all combinations, all figuration s of the most learned, of the deepest tone-creations, and leaves to the orchestra no other advantages, than those of the variety of tone-colors and massive effects -- immense advantages, to be sure. Such has been my aim in the work I have undertaken and now lay before the musical world. I confess that I should have to consider it a rather useless employment of my time, if I had but...
