DOWNLOAD

Peter Pan Bus Lines, Springfield Massachusetts, 2000. Soft Cover. Book Condition: New. Photos (illustrator). First. 2000 large glossy softcover book ; BRAND NEW from 2000 publisher ; Never marked. Gift Giving quality. Big handsome book, 8-1/2 x 10-1/2 " size, 1/2" thick; 179 glossy pages ; illustrated with glossy historical B&W photographs throughout. Cover design photo montage by Vito Gramarossa. This book is about the Peter Pan Bus Lines - a classic American success story - and its founders, the Picknelly family. Peter Picknelly began the bus company, and three generations worked hard from the late 1930s onward to establish themselves in the bus industry, until Peter Pan Lines became the nation's largest privately owned bus company. The text is informative, the photos are of early buses, and passengers , and drivers , the old trolley barn of the Springfield Rail company restored , company headquarters , the Greyhound bus terminal in 1939 built by the family and leased by Greyhound , the first diesel engine for a coach in 1947, driver Willie Smith in 1953 believed to be the first black interstate bus driver in the US, facsimile of a Boston Express Bus ticket from late 1940s, and much...

Reviews

This book is definitely worth getting. It usually will not price too much. Its been printed in an extremely simple way in fact it is only right after i finished reading this publication where basically altered me, modify the way i think.

-- Avery Daugherty

Very helpful to all of group of men and women. It can be writter in easy terms instead of confusing. You will like how the writer write this book.
