As foreclosures cases have skyrocketed, a few legal professionals have developed the experience and expertise necessary to navigate a complicated legal system that wasnt accessible to the ordinary defendant. Until now. Kimberly Alderman is one of these professionals. Whether youre a lawyer or an ordinary homeowner trying to figure out what your options are, Aldermans clear, concise style will explain techniques and strategies that will help you determine how you can get the most out of your foreclosure defense. While Foreclosure Defense is a suitable starting point for attorneys looking to orient themselves in the world of foreclosure defense, it is digestible and clearly written enough for non-lawyers to gain a basic knowledge of foreclosure defense as well. Dont rely on the internet or books written by non-lawyers to educate you on this topic. Foreclosure Defense: Litigation Strategies and Appeals is the single best starting place to begin your education in foreclosure litigation. Many foreclosure cases are winnable. Yet even of those winnable cases, most are lost because defendants do not know what arguments and options are available to them.
