The School Arts Book gives information on some of these processes in nearly every number and publishes reliable sources of information and names of dealers in materials. Miss Pierce of Castleton Normal is probably the best authority in the state on industrial art work and, having herself tried all the lessons suggested, knows how practical they are. She has furthermore expressed her willingness to answer inquiries along this line for any teacher in Vermont. It is also recommended that, in order to deepen the appreciation of all that is best, the morning exercises often include nature study correlated with drawing, an introduction to some great art work or process, a picture study or a lesson on beauty in common things. A child may forget many facts he has learned in history or geography, many rules in arithmetic, but his appreciation of the beautiful he will always carry with him and it will be a joy forever.
