*Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

## THE FACT AS TO THE PHILIPPINE ISLANDS: COMPILED FOR THE ENLIGHTENMENT OF THE AMERICAN PEOPLE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the beginning of the book: THE PHILIPPINE PROBLEM Dollar Diplomacy and Canadian Reciprocity have had their fling; the loss to the nation of two or three hundred million dollars a year, through the necessity of hiring European ships to carry our foreign commerce, has stirred the prolific pens of many writers, and our own precious tariff, which now seems settled after a fashion, has contributed liberally to the general concern over social and economic conditions. Trusts have been busted and huge combinations subdivided into original units to the evident satisfaction of the late administration and in no less degree to the gratification and relief of the Wall street interests that control them and we are now sailing - smoothly sailing - into the uncommon experience of a democratic administration c with all the feelings of Irishmen anticipating a real Donnybrook with its accompaniment of fair lassies, strong spirits and shillalehs. But through all of this panorama of change and rumors of change the work of developing the far off Philippines, the education of their people, the improving of conditions under which those people live, the broadening of their opportunities and the stimulating of their economic activities, has been progressing steadily and with notable results, yet with little intimation to the average citizen of this country of its tremendous significance with relation to the future commercial supremacy and political prestige of the United States. While a few anti-imperialists down Boston- way are hysterically shouting danger to our institutions in permanent occupation or control of those possessions; while many of the democratic leaders are struggling to make popular the cry of scuttle and the more serious-minded citizens, whose thought takes form...
