Against All Odds is a story of how Dr. Ram Chugh, refused to sublimate his enormous potential to stultifying circumstances. This intimate piece of personal history is about more than simply surviving in a highly restrictive and imposing environment that was the Indian military it s about more than moving through fears and predispositions in order to learn that one is a sterling leader rather than simply a capable follower of orders. Certainly, Against All Odds is a story of one who overcomes self-limitation through an open mind and sensitive heart; of one who extends trust beyond self-knowledge, of one who uses spiritual understanding to see beyond the obvious and pragmatic. Just when he thought his life was over, out of extraordinary effort and growing confidence expressed in an ever-unfolding potentiality, Dr. Chugh extended himself and his brilliant contributions beyond even his own wildest dreams. **REVIEWS** Against All Odds by Ram L. Chugh is the memoir...
