Web Broadcasting Your Conference: A Guide for Business and Association Conference Organisers (Paperback)

By Martin Shepherdly

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There is hardly a day goes by in any modern town or city when there isn't some kind of conference or seminar taking place. Many of them will not be recorded in any lasting or useable way. The motivation for writing this book is the belief that it is a travesty that truly valuable, sometimes life-changing, content, produced at great effort and expense, is typically seen once and once only by an audience limited to the number of seats that can be squeezed into the room. With the plethora of affordable technology and services available it doesn't have to be that way any more. The purpose of this book is to help event organisers and owners to broadcast their valuable content to the world without costing the earth. This book is a practical introduction to hybrid and virtual events for event producers, planners and organisers. Readers will gain a basic level of knowledge to help them build their own web broadcasting strategy and prepare for their first web broadcast. If you can answer yes to one or more of the...
