Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.HE HIM THEY Tonya is a young lady suffering from an illness known as Dissociative Identity Disorder or Multiple Personalities. While out shopping for groceries one rainy Saturday afternoon, she meets the arrogantly handsome Davin and has lunch with him at a nearby deli. They encounter a young lady who is seemingly upset with Davin for assumingly standing her up for their date. After lunch, the two retreat to Tonya s apartment which is just around the corner. Davin is somewhat amazed at Tonya s home. It s small yet packed with different personalities in each room. He enjoys himself, as he sifts through the music while Tonya prepares drinks for the two. Tonya s collection of music is quite different from the norm, and just as Davin is about to comment on her choice of music, he wakes to his arms and legs tied to the bed in a dark candled lit room. Davin is quite the catch as the owner of a fitness club. He s never been the type of guy to go ballistic over any female looks, but when he see the beautiful Tonya he has to get her attention. He convinces her to have lunch with him that same day; there was no way he was letting her out of his sight so soon. He certainly hadn t planned on his crazy ex walking in on their lunch date, causing them to retreat to Tonya s home nearby. Davin is quite impressed with how Tonya has her decor laid out until he notices how strangely each room seems to have its own personality. Tonya offers to fix them a drink while Davin chooses some music....
