Moody Publishers, United States, 2016. Paperback. Book Condition: New. 198 x 132 mm. Language: English . Brand New Book. This excellent book is so important. It clearly and powerfully explains what the parallels are between Germany's fall from grace and the beginning of our own fall. - Eric Metaxas, author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy* In *When A Nation Forgets God*, Erwin Lutzer studies seven similarities between Nazi Germany and America today some of them chilling and cautions us to respond accordingly. Engaging, well-researched, and easy to understand, Lutzer's writing is that of a realist, one alarmed but unafraid. Amidst describing the messes of our nation's government, economy, legal pitfalls, propaganda, and more, Lutzer points to the God who always has a plan. At the beginning of the twentieth Century, Nazi Germany didn't look like a country on the brink of world-shaking terrors. It looked like America today. *When a Nation Forgets God* uses history to warn us of a future that none of us wants to see. It urges us to be ordinary heroes who speak up and take action.
