Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Coal Men of America: A Biographical and Historical Review of the World s Greatest Industry The History of a country is the history of its people, of the individuals who constitute its citizenship. In like manner, the history of any movement, of any institution, of any great industry, is the history comprising the biography of the men whose lives are intimately identified therewith. The history of the coal trade, which is the history of a most wonderful industrial development, is distinctively the history of the men upon whose shoulders have been borne the burdens and upon whose brows have rested the victories and the successes incident to that wonderful commercial expansion. It is fitting that conspicuous pages from the unknown history of the coal trade should be garnered and collected in permanent form as a memorial to that trade, as a record of the achievements of its master minds, and of the worthy service which has been contributed to the industry by the business men who have developed the various mining fields, and those who have devised and conducted the splendid methods of distribution that are in operation. Within the memory of men who are now engaged in the coal trade, this industry has grown from small volume, by leaps and bounds, to a magnitude that arrests the attention and commands the respect of the entire world. Modern civilization would strive in vain to produce another era of human activity so stupendous or one more essential to human existence than that of the coal trade. We, the coal men of today, are in such close contact with this wondrous development that its marvelous growth is...
