Angelico Press, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Louis Bouyer was a major figure in the Church of the last century. These memoirs, which Bouyer wrote in a humble and humorous vein--though without withholding his notoriously sharp pen when needed--allow the reader to enter with him into the great events that shook the Church and the world during the era of upheavals and transformations through which he lived. They amount to an intelligent, sensitive, and pious man's fascinating chronicle and deep reflection on Christianity's life and travails in a world committed to modernity. Bouyer here tells us the full and varied story of a life devoted to the discovery of the sources and Tradition of the Church in doctrine, spirituality, liturgy, and scripture. We follow Bouyer's journeys from his inherited Protestantism to the fullness of the Catholic Faith, from his position as a Lutheran pastor to the priesthood in the Oratory of France, from humble parish life to the Olympian heights of his official theological and liturgical collaboration (and difficulties) before and after the Council with such influential figures as Congar, Danielou, de Lubac, Bugnini, and Joseph Ratzinger (Benedict XVI). Bouyer paints the lush landscape of a century's illusions and disenchantments; his memoirs are essential for understanding the history of the Church during that momentous time. It would be impossible for anyone to speak knowledgeably about liturgical developments in the past 50 years without being cognizant of the work done by Louis Bouyer. His Memoirs, which feature his outspoken opinions and profound intelligence as well as a personality deeply imbued with the true spirit of the Catholic liturgy, can serve as a balance and perhaps an antidote to misinformation about the post-Vatican II developments in the...
