Joy to You & Me Enterprises. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 8.4in. x 5.4in. x 0.4in. This is the sixth printing of a joyously inspirational book has been called one of the truly transformational works of our time. Author Robert Burney has been referred to as a metaphysical Stephen Hawking - and his work has been compared to John Bradshaws except much more spiritual and described as taking inner child healing to a new level. In Codependence: The Dance of Wounded Souls he combines Twelve Step Recovery Principles, Ancient (and New Age) Metaphysical Truth, and Native American Spirituality with quantum physics and molecular biology in sharing a perspective of the human experience that can lead to a life-changing Spiritual Awakening by reminding you of who you Truly are, and why you are here in human body at this very special time in human history. Some feedback about The Dance of Wounded Souls: I just read your wonderful book, thank you for writing it. I have been a spiritual teacher since childhood, however, your book let me organize my thoughts a new way, a new perspective. I now have a much deeper understanding and am still learning from it. Dance, is one of the truly transformational works of our time. When I found your book, I found myself. I am a 52 year old psychotherapist and have struggled with codependency all my life. Up until tonight I have been disappointed in the literature and treatment of codependency. Your work is brilliant! I cant find words to express my appreciation with the depth I am feeling. I finished your book, you are a rock star. Already had a friend order it. She wanted to borrow mine and I told her Id sooner give her my hand. I truly believe that..
