Pub Date :2010-09-04 Publisher: Fujian Education Press divclass = bbcontent about a year ago. Huang Yuanzhen teacher told me about his intention of aspiring to write an English teaching methods. I immediately encouraged him with the current basic education curriculum reform The actual problem is to write. He gladly accepted my proposal. and spent nearly a year to complete this difficult and quite significant work written in the book of the new curriculum teaching and learning of English. At this moment. while I congratulate the advent of the book. on the other hand. the teacher to express my deep gratitude to the author of the book Huangyuan Zhen. Based English education curriculum reform. he has done a good deed. I believe that this book will effectively help foreign language teachers and teaching and research staff in-depth understanding of the new concept of the English curriculum standards. new content and new ideas. and to understand the ways and means of implementing the new curriculum guide them to actively participate in the teaching practice. advancing Primary English curriculum reform. The new century English courses beyond the Foreign Language Courses in the areas of research. it is a microcosm of China's basic education curriculum reform. Basic education curriculum reform is the objective needs of China's political and economic development. In the era of knowledge economy. science and technology has become the primary productive force. in the era of competition in comprehensive national strength between countries. the focus of the foundation's role education plays in this competition. the competition of comprehensive national strength will inevitably fall on education on top of. Education. especially basic education is to improve the the national overall quality key....
