

Reejecttiion - A Number Two (Paperback)

By Daniel Clausen

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.By reading Reejecttllon, it s likely you ll discover: colorful short stories, funny flash fiction, hilarious cartoons, riveting reviews, wondrous anagrams and other assorted skits and titbits of under-achieving literary genius. If you re lucky, you might come across sci-fi tales about the privatization of words, horror stories about hair and ruminations on indie writing. It s also possible that you ll find commentary on the hazards of greedy literary agents and stories about washed up movie directors who receive financial backing from space aliens. Publisher s Meekly calls it: a thought-provoking fable about technological hubris and the hazards of bioengineering. (*This may or may not be referring to Jurassic Park and not Reejecttllon.) Reader s Indigestion says: this book quietly stands as one of the most powerful statements of the Civil Rights movement. (*This may or may not actually refer to To Kill a Mockingbird and not Reejecttllon.) But why not read this seriously comical scattergun book and see what you can discover about Reejecttllon for yourself?.
