SHIFTING CHAOS (PAPERBACK)

Dreamspinner Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sequel to Family and Reflection The Sleepless City: Book Four Chaos reigns in The Sleepless City, and it's really beginning to piss Detective Jonas Forge off. He's got inner demons to battle and a life to build with his new soul mate, Blair Turner. Nothing is going right, and he already feels the universe is conspiring against him when a turn of events he never saw coming flips his world upside down. Hallucinations grip the town and everyone in it, threatening to tear their precariously built family apart, and the only way forward is to bare all to each other. This means Declan and Blair need to learn to accept one another. Lucas Coate has to move forward without ties to his werewolf pack and live a monogamous life with Declan. But while Forge and Declan confront horrors from their shared past, Simon learns a terrible truth about vampires-one he couldn't have imagined in his worst nightmares.
