The Tarot Garden

By Niki de Saint Phalle

Benteli Verlag Jan 1997, 1997. Taschenbuch. Condition: Neu. Neuware - An explosion of color and creativity Inspired by Antoni Gaudí's Parc Güell in Barcelona and the mannerist Bomarzo Park, Niki de Saint Phalle created her sculpture park in Garavicchio, in the southern-most part of Tuscany. In this vast garden, the 22 cards of the tarot's Major Arcana are represented in the form of enormous sculptures, 12 to 15 meters high. This enchanted world was, for her, the ultimate achievement of her oeuvre, its culmination. When she died in 2002, she left the Tarot Garden uncompleted. Including texts written by Saint Phalle herself and explaining her thoughts and intentions in creating the sculptures, the book is a concise introduction to the garden. Moreover it is a piece of art in its design, inspired and created by Saint Phalle herself. 80 pp. Englisch.

Reviews

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Ewell Rempel**

The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.
