Outskirts Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I m sure most of us heard the phrase, What happens in this house stays in this house. Well, it meant that under any circumstance, we must not discuss what happens within our households. As I share with you the story of a once shy young woman whom suffered many obstacles, which lead to the point of her accepting that abuse in her life and eventually beginning to abuse herself in many different ways from sex addiction, drug addiction, alcohol addiction, attempted suicide numerous times, which lead to depression and her eventually learning of a generational curse that would be broken and God chose her. An extraordinary life changing story of how being quiet about what s going on in your house or life almost destroyed her. Therefore, to say, I m not okay is perfectly okay. Her cry for help takes place in her hallway when everything was about to be lost. Alisha cried out to God asking, Where are you? As the last cry came out a certain strength came over her and she got up and began to finish packing up her house. Which she had just lost due the drug addiction and mishandling of money. At our weakest point that s when a change can take place and God begins to move. When re-positioning takes place there will definitely be opposition and there will be battles that must take place, the battle of life or death. The opposition was about to walk right into her life.
