## Theia Returns: Is the Object of the Crossing Down Theia, Planet Nine? (Paperback)

By Don G Beeton

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Did I see Theia? Is Theia also Planet Nine? It might be and if that s the case the object that struck the early Earth causing the formation of the Moon still exists and it still orbits through on what must be it s original orbital path. I wonder if the Object that I saw cross down through between the Earth and the Moon is Theia. Are the gravitational effects that have been observed by astronomers caused by the fantastic astronomical object that I saw? They theorize that Planet Nine is a large object at a great distance. I saw a massive speeding much smaller object at a close distance. The object I saw caused the light from the Moon to become drastically changed in appearance and behavior. I understand that according to today s scientific understanding there is certainly no where near enough distance between the Earth and the Moon for an astronomical body that is capable of changing the way light behaves. This clearly does say a lot to me about the special nature of the crossing Object...
