Brand New Book ***** Print on Demand *****.Master HTML and CSS with Interactive Exercises and a unique Hands-On Project Have you always wanted to learn HTML and CSS but are afraid it ll be too difficult for you? Or perhaps you are a blogger who wants to tweak your blog s design without having to spend money on an expensive theme? This book is for you. You no longer have to waste your time and money learning HTML and CSS from lengthy books, expensive online courses or complicated tutorials. Nor do you have to spend money buying expensive website themes. There are tons of free CSS templates online that you can download and modify to build your own website IF you know HTML and CSS. What this book offers. HTML and CSS for Beginners Complex concepts are broken down into simple steps to ensure that you can easily master the two languages even if you have never coded before. Carefully Chosen Examples (with images) Examples are carefully chosen to illustrate all concepts. In addition, images are provided whenever necessary so that you can immediately see the visual effects of various CSS properties. Learn The Languages Fast Concepts are presented in a to-the-point style to cater to the busy individual. With this book, you can learn HTML and CSS in just one day and start coding immediately. How is this book different. The best way to learn HTML and CSS is by doing. End-of-Chapter Exercises Each CSS chapter comes with an end-of-chapter exercise where you get to practice the different CSS properties covered in the chapter and see first hand how different CSS values affect the design of the website. Bonus Project The book also includes...
