

Organizational Theory and Inquiry: The Paradigm Revolution

By -

Sage Publications (CA). Paperback. Book Condition: New. Paperback. 231 pages. Dimensions: 8.4in. x 5.9in. x 0.6in. The transition from viewing organizations as bureaucracies towards seeing them in metaphoric terms is a contemporary break with past organizational theory. But to investigate the similarities between real organizations and the metaphors describing their functions and context, a shift in both methods of inquiry and organizational theory must take place. This volume explores the paradigm shift at three levels: an overview of historical roots; an explication of terminology, metaphors and constructs; and the practical application of these new organizational inquiry methods, especially for actual research practices and policy analysis applications. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
