

The Borderline-Syndrome: Live Between Light and Shadow - Example Cases and Things to Think about (Paperback)

Filesize: 5.63 MB

Reviews

This book can be worth a read, and far better than other. I could comprehend every little thing using this published e.pdf. You can expect to like how the blogger publish this pdf.

THE BORDERLINE-SYNDROME: LIVE BETWEEN LIGHT AND SHADOW - EXAMPLE CASES AND THINGS TO THINK ABOUT (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hans Georg van Herste had been victim of sexual abuse in his early ages and thus set himself to support other victims as well as homo- and transsexuals. He travelled to India among others to study the ayur vedic healing arts. In the Ayur Veda body mind and psyche are not considered to be separated and each bodily disorder has its psychic cause. The author invested much time, energy and money to show the concerned persons an alternative way out of the crisis. With the island method he also created an easy but effective way to prevent sexual abuse of children, discrimination of women, homo- and trans-sexuals. Based on examples he explains the causes and different facets of the borderline syndrome in a language understandable for everyone.
