And you end up nagging, issuing orders, shouting, sometimes even spanking. But there is a better way. Spend a few minutes a day with TIRED OF NAGGING?, and you can eliminate the constant battles with your child that interfere with the pleasures of family life.Here are thirty easy-to-follow tools, proven effective for dealing with everyday situations that test your patience. Developed by Virginia K. Stowe, M.S.N., over the course of twenty-five years as a parent educator in demand, these tools give you the confidence you need to stop power struggles and replace resistance with cooperation. With the ages and stages overview, you can learn what to expect during each year of your child s early life. Then discover how you can work with your child at his or her stage, using the practical tools to produce the behavior you want--without inhibiting your child s self-esteem and independence.
